ANJAC Chemistry Department Golden Jubilee year Celebration - 2016

Dear Alumni of the Chemistry Department of Ayya Nadar Janaki Ammal College, Sivakasi.

Greetings to all.

On behalf of the Management, Principal, Staff members and students of the Department of Chemistry, Ayya Nadar Janaki Ammal College, Sivakasi, I am very happy to inform you that, we have decided to celebrate the **Golden Jubilee Year of Chemistry Department** (One of the Pioneering and Prestigious Departments of our College) which started its under-graduate degree course (B.Sc.) in the year 1966; up-graded as post-graduate (M.Sc.) department in 1979; promoted as pre-doctoral research (M.Phil.) department in 1986 followed by Doctoral Research (Ph.D.) Centre in the year 1997.

As we know our department potentially grows with the full support of our College Management and the Principal and the dedicated staff members we have produced a good number of meritorious students every year. The products of our department shine as stars throughout the world as chemists, scientists, government administrators, academicians, industrialists, social workers, entrepreneurs and so on.

In this connection, we plan to arrange **Alumni Meet of Chemistry Graduates** of our College, on 21st December 2016 (Wednesday) in our College campus from 10.00 am to 5.00 pm. All the Senior Professors who have rendered their splendid services to our Department as well as to the College, and retired from their services have also accepted to attend the Get-together and grace the function. I sure this get-together will give a way to meet our friends and elders to share our remembrance.

Hence, I invite all the Alma mater of our Chemistry Department who have studied and completed their graduation, post-graduation, pre-doctoral research and doctoral research, to attend the **Alumni Meet of Chemistry Graduates** on that day, **(21.10.2016)** in our College premises and make the function a successful one. We expect your presence.

Further, kindly accept this invitation as a personal one and convey / forward this message to the other alma mater of our Chemistry Department of ANJAC / your classmates / seniors / juniors who have studied in our Department during the past FIVE decades. Please let us know the contact address / mail id and phone numbers of the friends you have.

With warm regards.. and expecting your reply. Have a Nice Day.

For confirming your participation and any other further clarification please use the following e-mail address.
