Commercial Taxes Department - Administration

Over 25 years I was serving various positions in the Tamil Nadu Commercial Tax department. Handled various key functions in the department across Tamil Nadu

Deputy Commissioner, Computer System

2006 to 2008

During the above period, VAT system of Taxation was introduced in TN and I was one of the key persons in the preparation VAT Laws and Rules. I had been involved in assigning TIN on the day of turn of GST into VAT (ie. on 1st January, 2007) by a click of the system in the computer centre, Greaves Road, Chennai. Was a key member in framing laws for the VAT system of taxation and was also involved in the development of the software for VAT which is used for cross checking of taxes at the point of purchases. We had developed a module by which the purchase and sales details were obtained in CD and uploaded in the system of the respective assessment circle which ultimately helped the Tax Authorities to ensure the sufferance of tax at the other end. I pioneered the development of software to monitor the various activities like online filing of returns, tax payments, input tax credit verification, refund etc.,

Deputy Commissioner, Chennai Central Division

2003 to 2006

One of the prestigious assignments in Commercial Tax Department which any Officer would aspire for and I had been there for nearly three years and monitored three Zones and 28 assessment circles besides one Large Tax Payer Unit. The revenue of this Division was the second largest in TN. During my period as Deputy Commissioner, Chennai Central Division in the year 2003, the sales tax revenue recorded all time high of 20% increase. Efficient administration and strict vigil over the subordinates not only brought me name and fame but also got me a good exposure and experience on various business etiquettes and intricacies.

Deputy Commissioner - Inter-State Investigation

2002 to 2003

Had a great deal of opportunities to interact with other state Officers and rules and law of the respective states. Had visited Gujarat, Maharashtra, Karnataka and Andhra Pradesh and acquired rich experience in Tax matters of Corporate Offices and the modus operandi on Imports and Exports.

Special Assistant Commissioner – Headquarters

2001 to 2002

Since this post is attached to HOD and during this period, because of the association with the Commissioner of Commercial Taxes, had the opportunity to supervise and monitor the entire state's revenue, Tax arrears and activities of the business community as well.

Administrative Assistant Commissioner - Chennai South Division

1997 to 2000

Review of the appellate orders and deciding on further appeals or lodging of the orders. This assignment brought me knowledge on Court cases and various case laws and interpretations.

Assistant Commissioner Zone-7 Chennai

1995 to 1997

This assignment involves general supervision of the assessing officers and their performance on the quality of passing assessment orders on various business firms. One significant Act learnt during this period is Betting Tax Act which levies and collects revenue from Betting on Horse races in Guindy, Ooty and Inter-venue Betting.

Assistant Commissioner – (CT) Enforcement Chennai South Division

1993 to 1995

During this assignment intelligence study on the rise / fall of turnover of business was made, critically analysed and raids and inspections organised to unearth unethical means of transactions. Lorry checks, monitoring check-post activities were also few other duties attached to this post. The way bills and LR's are scrutinised so as to lay hands on actual evaders without doing much harm to the genuine dealers which fetched good revenue to the state exchequer.

Appellate Assistant Commissioner (CT), Madurai District

1990 to 1993

Assistant Commissioner (CT) Enforcement, Tirunelveli District

1990

Assistant Commissioner (CT), Salem District
